K-Type Marker KS65 - Kit - **NUMBERS**

Features & Benefits

- **Lower quantities:** No need to purchase rolls of 500 of each marker
- **Re-usable:** Boxed in durable single sided carrier box ready to be thrown in shop, truck, trailer, van etc.
- **Flexible:** multiple carrier strip sizes for various applications
- **Refillable:** When you're short on a marker simply re-order a roll and pop back in to your kit
- **Multi- application:** we've conveniently bundled the most commonly used symbols together with the full alphabet which will have you covered for 99% of cable marking applications.
