

**CABLE MARKERS**

**K-TYPE MARKERS & CARRIER STRIPS** (Yellow Markers with Black Lettering)

K-type markers & carrier strips are ideal for identifying large cables, conduit & pipes, either before or after termination. The standard carrier has slotted ends allowing fastening with cable ties, whilst the universal carrier features a hole at one end to provide 'flag' fixing.

- \* Versatile marking system for cables, cable bundles & conduit
- \* Two styles of carrier strips holding from 7 to 18 markers

- \* Large characters for good legibility
- \* Wide range of fixing methods

**K-TYPE MARKERS** available in A-Z, 0-9 & Symbols.

PART No.	CABLE SIZE	CABLE DIA	MARKER LENGTH	PACK SIZE
