

MECHANICAL LINKS & LUGS

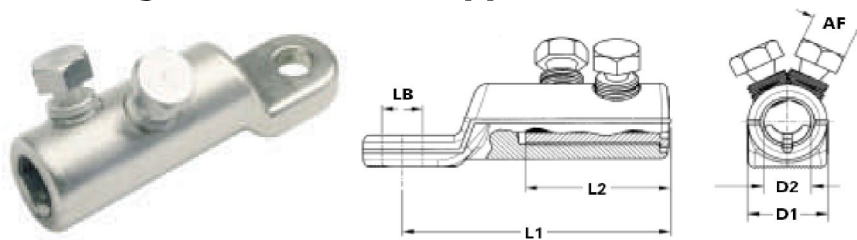

- Wide application range
- Compact design
- Can be used with almost every type of conductor and material
- Torque-controlled shear-head bolts guarantee a good electrical contact
- Easy installation with standard socket spanner
- Pre-engineered design for perfect fit in medium voltage cable accessories up to 42 kV

Links for Bi-Metal, Copper & Aluminium

PART No.	mm2	L1	L2	D1	D2
