## **UTILUX**

Utilux is a brand that has built an enviable reputation for high quality, reliable electrical connectors. For over 80 years, this dynamic Australian brand has been a leader in the field of interconnection systems. Utilux has now joined the truly innovative, international market leader, Tyco Electronics.

Our aim is to provide the best possible products and services to keep our customers at the cutting edge of industry standards - internationally.

## **QUALITY YOU CAN RELY ON**

The Utilux manufacturing operation is certified to International Standards Organisation (ISO) 9001:2000 quality standards, the benchmark for the worlds best practice in design and production facilities and methods. Tyco's highly skilled technical team ensures that these optimal standards are inherent in every product that leaves our factories.

You can be sure that Utilux branded products are fabricated from the finest materials and produced to exacting tolerances. They represent the latest technology and the best design for the tasks they are required to perform.

## **RELIABLE ELECTRICAL CONNECTORS**

Utilux is a leading brand of electrical connectors sold to original equipment manufacturers and electrical distribution companies throughout Australia, New Zealand and Asia. A comprehensive range, the most up to date production technology and the highest quality control standards ensure that there are Utilux connectors, of optimum reliability and durability, for all major power distribution applications.

## **TESTING FACILITY**

Located within Tyco Electronics Energy Division's Wyong manufacturing facility is the largest NATA accredited test facility owned and operated by a manufacturing supplier within the Australian and New Zealand market place.

Full test facilities are available, whether electrical, mechanical or environmental.

## **RESEARCH & DEVELOPMENT**

As part of the worlds largest electrical connector company, the development of products is an ongoing commitment.

It is done on a global basis, utilising the talents of many people throughout the organisation to ensure a global product for a local market.

## **TECHNICAL ASSISTANCE**

Whether dealing direct with Tyco Electronics Energy Division or a Distributor, a full team of experienced technical sales and support people are available to assist in the purchase of products shown in the catalogue or to develop a solution to meet your particular needs.

## **CATALOGUE**

This catalogue is correct at the time of printing but due to ongoing design reviews and product development, Tyco Electronics Energy Division reserves the right to modify the specification of any product without notice.
