

**Your entire workshop –  
now you can take it with you!**

**Wiha tool carry case and rolling tool case for electricians**

● **Increases your efficiency**

A wide range of tools – so the right one is always to hand.

● **Satisfies your requirements**

Large, rugged, sturdy and safe thanks to its lid-lock function.

● **Reduces your costs**

Using the right tool helps protect against damage and rework.

● **Protects your health**

The ergonomic handle design makes working easier while helping prevent occupational illnesses.

● **Increases safety**

Internationally award winning VDE-insulated tools, each of which is individually tested at 10,000 V AC.

# Electrician's Competence XXL

## Highlights

### Increases your efficiency

Gas springs hold the lid in any position, reducing the danger of injury when closing the tool box.

### Increases your flexibility

Lots of room for additional tools, and generous storage space for small parts and devices.

### Saves time

The design and function of the tool holders allows for fast and easy access to the tools.

### Protects your health

Trolley with sturdy in-line wheels makes it possible to transport the tools to the work site easily and without strain.

### Satisfies your requirements

Large, rugged, sturdy and safe thanks to its lid-lock function.
